

ENGL 213: Creative Writing: Poetry

Georgia Palfrey

M,W, F: 2:30 - 3:20pm

Fall 2026

*“For there are no new ideas. There are only new ways of making them felt, of examining what our ideas really mean (feel like) on Sunday morning at 7AM, after brunch, during wild love, making war, giving birth; while we suffer the old longings, battle the old warnings and fears of being silent and impotent and alone, while tasting our new possibilities and strengths.” —
Audre Lorde*

In this class we will write and discuss poetry as vital, immediate, alive. All we share is language and even then – it is felt differently by all.
