Much of the learning in this class results from informed class discussion. Thus I expect you to be in class and prepared with the day's assignment. More than four absences will jeopardize your grade. More than six will result in failure.

WVU is committed to social justice. I share that commitment and expect to maintain a positive learning environment based on communication and mutual respect. Suggestions for furthering such a climate will be appreciated and given serious consideration. Please feel free to speak to me about any concern you have in this class.
