

See STAR for days and times

ENGL 303 MULTIMEDIA WRITING

Are you interested in learning about:

- How emojis came to be?
- Why more than 90% of Wikipedia edits are made by men?
- What do clown faces, eggs, and copyright have in common?
- Why exactly do we describe popular things on the internet as "viral"?
- How we might use multimedia to tell vivid, effective stories that can persuade and inform?

Then this class is for **you!**
