# Make it up. Tell the truth.

## Creative Writing Workshop: Fiction

*Invented people, in invented places, doing invented things can tell us more about who we are than almost anything else we read.*

### IN THIS WORKSHOP YOU'LL

- Write and substantially revise original short stories
- Share drafts in a structured, encouraging, honest workshop
- Take published stories apart: openings, character, point of view, pacing
- Read like a writer with George Saunders' *A Swim in a Pond in the Rain*
